**Circular –GPLS/CR 30/23-24**

### **CBSE SCIENCE EXHIBITION 2023-24**

The CBSE Science Exhibition for the academic session 2023-24 would be organized at Regional and then National Levels in the months of October 2023 – January 2024. The Theme and Sub-Themes for the Science Exhibition for 2023 – 24 are:

<b>THEME</b>	<b>SUB-THEMES</b>
<b>Science and Technology for Society</b>	1. Health 2. LIFE (Lifestyle for Environment) 3. Agriculture 4. Communication and Transport 5. Computational Thinking

The Board invites students of affiliated schools (classes 6 to 11) to prepare research-based science projects or exhibits that are original on any of the above listed sub-themes of the main theme Science and Technology for Society. The students may register to submit and showcase their projects, with the help of their schools (**CBSE Circular No. Acad-120/2023**).

#### **GUIDELINES FOR PARTICIPATION**

1. GUIDELINES FOR PARTICIPATION 1. All schools willing to participate need to register online, remit fee and Submit the project/exhibit between 10th October 2023 to 30th October 2023 at [https://cbseit.in/cbse/2023/sciex/sch\\_login.aspx](https://cbseit.in/cbse/2023/sciex/sch_login.aspx). The last date for registration is 30th October 2023 and for payment confirmation from bank is 31st October, 2023.
2. The students may participate in any of the 02 categories: Category I – Classes 6 – 8; and Category II – Classes 9 – 11 A registering School Team will be represented by a) A maximum of two students of the same category; and b) one mentor Science teacher.
3. A participating school can register a maximum of two teams.

4. The names of the students and the mentor teacher, once registered, will not be changed at any stage of the exhibition. The school team participating at Regional and National Level must remain the same.
5. The sub – theme once selected cannot be changed. Similarly, the title of the Project cannot be changed.
6. Each registered team would be provided a unique login credential on the CBSE Science Exhibition portal for online submission of the project.
7. The student/ team project may be- • an investigation-based study; • application of basic principles of Science and Technology; • a novel solution/indigenous design to a problem/challenge. Students and mentor teachers may visit the [https://cbseit.in/cbse/2023/sciex/sch\\_login.aspx](https://cbseit.in/cbse/2023/sciex/sch_login.aspx) for more resources related to the CBSE Science Exhibition.
8. Care should be taken to use eco-friendly materials in the preparation of exhibits.
9. Though the portal would accept the registration and submission of project till the last day i.e. 30th October 2023 however, to avoid the last day's rush, the schools are advised to register and pay fee within 12 days of the issuance of this circular and submit the project/exhibit by the last date i.e. 30th October 2023.
10. The teams would be required to submit the details of their respective projects (title, description, list of materials used, images, video) on the portal using their unique login credentials within the time-frame for submission (30th October 2023).
11. The screening of the entries would be done before the regional/national level exhibitions.
12. The exhibits will be assessed by a team of experts as per the following criteria:

a) Creativity and imagination	20%
b) Originality and innovativeness	15%
c) Scientific thought/ principle/ approach	15%
d) Technical skills, workmanship, craftsmanship etc	15%
e) Educational value, scalability and utility for society in future	15%

**Note: Interested students are requested to register their name with Ms. Anju/Ms. Kajal**

### **Chandrayaan-3 Maha Quiz**

Dear Student,

The successful journey of Chandrayaan-3 encapsulates within itself grit, ambition, initiative, scientific temper, curiosity, problem solving and creativity – qualities that education across grades strives to instill and achieve.

The MyGov platform is celebrating the success of this mission through '**Chandrayaan-3 Maha Quiz**'. For participation in this quiz, the candidates need to create an individual account on MyGov portal. All the participants will receive a participation certificate that can be downloaded, and the winners of the quiz will also be rewarded with cash prizes.

All details regarding the quiz are available at <https://isroquiz.mygov.in/>.

**All are instructed to participate in the competition through the link given above and send the certificate to the Class Teacher.**
